About: Shamine Linton

As the Founder/CEO of Sharia's Closet, it is my responsible for running all facets of the business. I drive the company's vision, strategy and growth as it provides interesting and unique ways for helping less fortunate people and changes their lives in the community.

About: Sharia's Closet

What we do: Sharia's Closet was created to provide free, gently-used emergency clothing to individuals and families who are experiencing financial hardship or crisis. We customize our care bags for each individual based on their preferences and needs, with hand-selected outfits and household essentials.

Who we serve: Sharia's Closet serves individuals and families experiencing hardship throughout the region. We are connected to community members in need through direct referrals from a wide and long-standing network of schools and service agencies, many of whom are not accessing support services elsewhere.

Services

Sharia's Closet has developed an efficient method of referral and personalized clothing distribution through its established network of social services agencies and programs, including but not limited to, local abuse shelters, juvenile centers, Head Start programs, elementary schools and churches.

Collaborations

Work With Us.

Our network of need is growing. Every month we receive more referrals than the month before. Clothing donations continue to pour in from generous members of our community, but we are greatly in need of basic clothing, hygiene, and household essentials to include with our care bags. Most of these items must be purchased.
